

## **INDIAN KAYAKING & CANOEING ASSOCIATION**

The following are comments and suggestions on the Draft Sports Legislation:

1. There should not be change is in NOMINICLATURE of IOA to IOC.
2. There should be more representatives in sports Council Pg. 11 say at least: Three presidents and three Secretary Generals.
3. Pg. 26 Para 17: This is to hard and at any time one federation put to be out. The Government can derecognize but should not have to power to cease other rights as stated in the Para.
4. Pg. 38 Para 1.7.1: The Secretary General of any Federation is executive officer but he is not given proper place in this Para, the SG must represent in this Committee.
5. The selection Committee to be framed by the AGM of Federation and not as per the Pg. 39 Para 1.7.2 (VI). The Convenor of the S.G. of NSF will be Ex- officio Convenor of Selection Committee.
6. The National Coach must have the knowledge of IT, evaluating the progress of Athletes. Pg. 40 (VIII).
7. Pg. 43 Para 3.10  
This can't be applicable to each Sports say - Rifle shooting, equestrian.
8. Pg 44 PARA 3.19  
It will be not applicable to each federation: Say Tennis, Swimming, Rifle, equestrian, rowing, canoeing, Wushu, Judo, Taik -ondo etc.
9. Election procedure is good but the number cannot be determined for all federations.

These are my suggestions.
