Prof. Vijay Kumar Malhotra
Acting President
Indian Olympic Association

NOC Relations Department
Ref. No. /2012/jpy

Lausanne, 31 January 2012

Dear Prof. Malhotra,

Thank you for your letter of 23 January 2012 addressed to the IOC President, who instructed me to reply to you, as usual, in my capacity as Director of NOC Relations.

We have noted the content of your letter and, in particular, the decision of the Delhi High Court on 19 January 2012 which you communicated to us.

In view of this document, it is our understanding that a "charge sheet" was filed on 20 May 2011. We would therefore appreciate it if you could clarify to us what charges have been effectively filed against Mr Kalmadi (and any other officer or member of your NOC, since it appears that other members are also concerned by legal cases before the courts of justice).

In addition, it came to our knowledge that the "Ethics Commission to the Indian Olympic Association" apparently took some decisions in early December 2011 with respect to the case of Mr Kalmadi and two other officers of your NOC. In spite of our repeated requests for you to inform the IOC of the situation as a whole, we were never informed of such action by your NOC. Therefore, in order to get a better understanding of the situation, we would be grateful if you could provide us with all related information and documents concerning this issue.

In addition, and having in mind that you already discussed the majority of the issues above mentioned during your NOC General Assembly meeting that was held on 15 December 2011, we would be very grateful if you could send us a copy of the minutes.

Lastly, we understand from your letter of 23 January that a meeting of your NOC Executive Board is expected to take place urgently to discuss the overall situation and our letters.

We presume that, if the "Ethics Commission to the Indian Olympic Association" has already taken some measures, this meeting of your NOC Executive Board would also have to review these measures and consider taking appropriate action.

In any case, we would highly appreciate if you could inform us in due course of all outcomes of this meeting and send us a copy of the minutes.

We look forward to receiving your response to and clarification of all these pending issues.

Yours sincerely,
